PALO ALTO UNIFIED SCHOOL DISTRICT  
25 Churchill Avenue — Palo Alto, Ca 94300

February 26, 1976

ENCLOSURE NO. \_\_\_\_\_  
AGENDA ITEM \_\_\_\_\_  
DATE 3-2- \_\_\_\_\_

To: Board of Education  
From: Newman Walker, Superintendent  
Subject: Recognition of Ohlone as District Alternative School

Having followed the Board approved procedures for determining alternative status for Ohlone Elementary School, I wish to inform you that Ohlone has met all the criteria established by the Board in its policy regarding alternative elementary schools.

At the close of the registration period on February 20, 1976, it was determined that the majority of the enrollees will come from outside the Ohlone attendance area.

Therefore, I recommend that the Board recognize Ohlone as a district alternative elementary school and that the former Ohlone attendance area become part of the Fairmeadow attendance area.
